YOUNG ENGINEERS TREASURE COAST GENERAL TERMS AND CONDITIONS

We are so excited to have your child begin his/her journey into the world of STEM with us! This document describes the general terms and conditions of your child's registration in our program. Thank you for your decision to enroll your child in our Young Engineers Treasure Coast Program, it's an investment into your child's future!

These Terms and Conditions apply to programs and workshops operated by SAM Treasure Coast, LLC, the owner of Young Engineers Treasure Coast - including but not limited to Algo Buddy, Big Builders, Brick Challenge, Algo Play, Galileo Technic, Robo Toys, Camps, Birthday Parties, Workshop.

These terms apply to all courses, options, programs and workshops offered by Young Engineers Treasure Coast at any location.

By agreeing to these Terms and Conditions and/or registering my child for a Young Engineers Program/Workshop, I assert that I have read all Terms and Conditions and agree to be bound by them.

I. Enrollment and Payment Policies

In order to guarantee a reserved spot in our program/workshop, payment must be made at the time of registration online or at our STEM Lab location.

1. **Tuition:** Tuition includes adult supervision, instruction, curriculum materials, snack for camp (1x for half day, 2x for full day).
2. **Late Fees:** I understand that payment that have not been received more than 2 weeks after class commencement, are subjected to a late payment of \$30.

Young Engineers Treasure Coast will notify parents/guardians if payments have not been received prior to any late fee being charged.

3. **Returned Check/Dishonored Transaction Fees:** A \$25 returned check fee will be assessed for any checks returned or card transactions that are not honored.

II. Changes, Cancellations and Refunds Policies

Although we always try to accommodate children's (and their parents') schedules, when a child misses all or part of their class for any reason, we cannot guarantee that he will be able to make-up that class (including for reasons related to illness). We have a year long spiral curriculum. Workshop may be prorated at the discretion of Young Engineers Treasure Coast.

1. **Changes Made More Than 14 days Prior to Session Start Date:** I understand and agree that I am, without penalty, able to make changes to my child's registration including but not limited to location, date, weekends or course, so long as the changes are made more than 2 weeks (14 days) before the program's start date.
2. **Cancellations:** Full refund minus \$40 processing fee, if registration is cancelled until 2 weeks (14 days) before class start date. I understand that there are no refunds offered if the cancellation is made less than 2 weeks before the class start date.
3. **Summer Camp Cancellations:** For children enrolled in Young Engineers Treasure Coast's exciting hands-on Summer Camp program, the following cancellation policy will apply: Cancellations made at least three (3) weeks prior to the start date of the camp program will receive a full refund minus \$40 processing fee. Cancellations made more than (2) weeks but less than three (3) weeks prior to the start date of the camp program will receive a fifty (50%) percent refund. There are no refunds for programs canceled less than two (2) weeks prior to the scheduled date of the program.

Vouchers, Multi-Class Discount and Promotional Specials

Young Engineers is an international program that provides children a fun and exciting way to explore and learn science and engineering principles - through play! We want all children to have this experience.

1. **Vouchers:** All vouchers are non-refundable, non-transferable and not redeemable for cash. Vouchers must be redeemed at the time of registration. Location and date is based on availability at the time of registration. Vouchers are valid until the specified expiration date, without exception. They are valid for up to the amount issued, and any amounts not used are forfeited.
2. **Multi-Class Discount:** If I register and pay for more than one child or register one child for multiple Young Engineers Treasure Coast programs/workshops for the same season, I understand that I will be responsible for paying the standard tuition for the first program/workshop, but will receive a discount of 10% for each additional program/workshop tuition paid.
3. **Refer-a-Family Member or Friend:** For each new student that registers for any Young Engineers Treasure Coast program/workshop using my referral and attends the class or camp for which they registered, I will receive a \$10 Young Engineers Treasure Coast tuition credit which I must use that same year. My friend will also save \$10 off their tuition. The referred student must be a new student and cannot have previously attended any Young Engineers Treasure Coast programs/workshops.

Program/Workshop Activities and Photo Policy

1. **Projects/Take-homes:** I understand that all programs and workshops that my child takes at Young Engineers Treasure Coast, involves building and taking apart our custom lego models - NO models will be sent home. I understand that Young Engineers Treasure Coast staff will take pictures and or videos of the models built in class to share with me and my child.
2. **Photos:** As a condition of participation, I authorize that photos, videos, images, audio and testimonials may be taken of me and my child and agree that said content may be used by Young Engineers Treasure Coast in promotional materials, marketing collateral, and online media. These images, testimonials,

photos, videos, and audio may be shared and used by corporate partners, the media, or other organizations who work with Young Engineers. I understand that Young Engineers Treasure Coast, its owners, agents, partners, facility providers, and employees will not be held liable for damages and injuries associated with said publishing, including any and all claims based on negligence. I agree that all images, testimonials, photos, video, and audio taken at or in connection with Young Engineers Treasure Coast are the sole and exclusive property of Young Engineers Treasure Coast.

3. **PROMOTIONAL USE of Photos:** Unless we are notified in writing that you would not like your child's photo used, photographs of your child may be used for advertising or promotions. By enrolling your child in Young Engineers, you hereby grant our company (SAM Treasure Coast, LLC) the right to take photographs of your child in connection with his or her attendance and participation in Young Engineers and grant a perpetual, non-exclusive, royalty-free license to use such photographs for any lawful purpose reasonably related to the promotion of Young Engineers Treasure Coast and its Summer Camp and/or Young Engineers Treasure Coast programs, including (for example) advertising and web content.

Code of Conduct

We want to maintain a caring, positive and collaborating community at all times. I agree that I have read through, understand, and agree that I and my child will be held to the Code of Conduct set forth below. I also agree that I have reviewed the Code of Conduct with my child. I understand that I and my child must act in a way that is in keeping with the Code of Conduct and that my child can be dismissed from a program if either of our actions or attitudes seem to be harmful to the atmosphere, to my child, other participants, or staff, in the opinion of Young Engineers Treasure Coast staff. My child and I understand that Young Engineers Treasure Coast reserves the right to dismiss my child from the program without any prior warning for violating any of the terms of the code of conduct. ***Refunds will not be given for students dismissed for failure of the student or the parent to abide by the code of conduct.*** We understand if Young Engineers Treasure Coast staff determines in their sole, reasonable discretion that my child is unable to participate in class in an appropriate manner and/or is a safety risk to him/herself, other students, or our staff, that child will be removed from the Young

Engineers Treasure Coast classroom and I will be required to immediately pick up my child and schedule a meeting with the instructor.

All students must:

1. Follow directions/instructions given by staff members and location personnel;
2. Abide by the rules and regulations of each location;
3. Respect facilities and property; (Should intentional damage to facilities or property be found to be inflicted by a student, the student and their parents will be responsible for fines and damages.)
4. Not hold Young Engineers Treasure Coast responsible for any lost, stolen or damaged personal items.

Child Health and Safety

Your child's safety and wellbeing are of the utmost priority to us. By enrolling your child in our program, we understand that you have reviewed the types of activities in which your child will be participating. You understand that physical and recreational activities contain inherent risk of injuries. You understand that for your child's safety, you must complete all forms and provide Young Engineers Treasure Coast accurate and complete health, behavior, dietary issues/restrictions and allergies. Failure to provide all required information may result in cancellation of your child's registration without a refund. Regardless of how remote the possibility, we wish to make you aware of our procedures in the event of an emergency:

1. I certify that my student is in good health and able to participate in Young Engineers Treasure Coast programs, and that if for any reason my child should be restricted from participating in any activity, that I have provided Young Engineers Treasure Coast notification of such restrictions through the health forms associated with my child's enrollment.
2. I authorize staff to attend to any health issues or injuries my child may incur while participating in an Young Engineers Treasure Coast program. This includes providing basic first aid, dispensing authorized medications, and seeking emergency medical care for my student should they deem it necessary. In the event of an emergency, Young Engineers Treasure Coast staff will attempt to

contact you and/or the other emergency contact persons listed on your child's registration. If your child is injured and should require immediate emergency care, Young Engineers Treasure Coast staff are authorized to contact emergency response personnel or, if unavailable, transport the child to the nearest emergency care facility.

3. I agree to be financially responsible for any medical treatment needed during the duration of the program. I understand that I am responsible for providing the sole insurance coverage for any medical treatment my student receives, and agree to release any and all records necessary for my child to receive medical treatment.
4. If my student needs to bring any medications to camp, I agree to fill out the necessary medication forms more than a week prior to the start date of my student's program and to bring the medication to camp the first day. I agree to bring all medications in original containers that identify in English, the prescribing physician (if a prescribed medication), the name of the medication, the dosage, any side effects, and the dispensing frequency. The information dosage and dispensing frequency on the bottle must match the information provided on the medication form. You agree that all medications, except inhalers and diabetic testing kits will be given to and dispensed by Young Engineers Treasure Coast staff. If your student will be bringing an epinephrine auto-injector (i.e, EpiPen), you will need to bring two non-expired auto-injectors the first day of their program. One will be held by staff. The other will be held by the student. This is best practice having two auto-injectors on hand. If a student of any age is in anaphylactic distress, staff will immediately administer an injection and call 911. Your child will be required to self administer all other injectable medications under the observation of staff. If bringing glucose pens or standard syringes, we require you to bring a Sharps biohazard disposal container as well. At the end of your student's program, you are responsible for retrieving all medications and containers from staff.
5. I understand that my child is current on all vaccinations according to the age-appropriate recommended immunization schedules published by the US Centers for Disease Control and Prevention (CDC), and that Young Engineers Treasure Coast require students to provide up to date vaccination information or acceptable waiver. I further understand if I do not provide up to date vaccination information that my student's registration may be canceled without a refund. I agree to obtain or provide proof that my child has already had any and all vaccinations required. I may provide a signed religious or medical vaccination exemption in lieu of obtaining the required vaccinations.

6. Arrival and Dismissal: I agree that if my student does not turn 13 by December 31st of the year in which they are registered for Young Engineers Treasure Coast program/workshop, he/she must be signed in and out of their program/workshop by an authorized pickup person. I understand and agree that only those named as additional authorized pick-up persons (and who show a valid picture ID, Driver License, or Passport) will be able to pick up my child.
7. I understand that it is the parent/guardian's responsibility to pick up in a timely manner. I agree that after 5 minutes of grace time at the end of class, the parent/guardian will be charged \$20 for the first 15 minutes (\$2 per minutes after that) for late pickup payable to the instructor at the time of pick up (cash or paypal or venmo or credit card).

Release of Liability

By enrolling in the Young Engineers Treasure Coast program I acknowledge and understand that despite all efforts that may be made to the contrary when it comes to children occasionally injuries can happen.
